

Bridges allows you to connect the dots in different ways from tables to benching, desking to systems. Redefine how you connect and share. Bridges provides the tools for you to achieve so much more.

1. Double sided under worksurface power trough with access door
2. Above worksurface power trough allows immediate access to power and data
3. Wire basket for under worksurface or storage cabinet cable management
4. Elegant detailing on all storage components
5. Two styles of leg supports on casters or levelers
6. Shared shelves for back-to-back workstations
7. Mobility option
8. Divide space with glass, fabric or laminate partitions

CONNECT SHARE ACHIEVE

Our task was to develop an environment for collaborative teamwork which would facilitate the connection of people and ideas in a corporate setting . . . to design a platform which would serve as a catalyst inviting people to engage and co-create.
