

A modern office chair with a white upholstered seat and backrest. The backrest has a vertical crease down the center. The chair features black armrests with a curved, ergonomic design. The base is a polished chrome five-star base with black casters. The chair is shown from a three-quarter front view against a plain, light-colored background.

TYLER

The clean lines of the Tyler collection celebrate great form and function. A thin profile back with integrated lumbar support, waterfall seat and two arm styles promote maximum sitting comfort. All models are standard with swivel-tilt control and black poly base. For additional function and flare add an optional mid-pivot control and sleek aluminum base.

EXECUTIVE HIGH BACK SWIVEL

Shown with adjustable t arms, and optional mid pivot control and aluminum base.

Shown with loop arms and optional aluminum base.

Standard with black poly base and swivel tilt control.
